Purpose

The objective of National Institutional Ranking Framework (NIRF) under MHRD, Government of India is to provide a platform for ranking of institutions across the country. The methodology draws from the overall recommendations and broad understanding arrived at by a Core Committee set up by MHRD to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover

“Teaching, Learning and Resources,” “Research and Professional Practices,” “Graduation Outcomes,” “Outreach and Inclusivity,” and “Perception”.

Scope and Intent

As the Nodal Officer of the Institution desirous on participating in the ranking exercise, you assert that you are authorised by your institution to enter into a legally binding agreement with NIRF/NBA. Additionally, you grant NIRF a non-exclusive, unlimited right to process, analyze, prepare, publish, retain, and use it in any way now or in future related to institutional ranking.
- Further, by providing information to NIRF, you represent and warrant that you are entitled to submit the information and that the data / information is accurate, not misleading or misguiding.
