

**Jawaharlal Nehru Centre for Advanced Scientific Research
Bengaluru, India**

<http://www.jncasr.ac.in>

Geodynamics Unit of the Jawaharlal Nehru Centre for Advanced Scientific Research invites applications from Indian nationals with established record of independent, high quality research, and commitment to teaching for the position of Faculty Fellow equivalent to Assistant Professor. Areas of interest to the Unit cover all multi-disciplinary aspects and interfaces of geodynamic and climate evolution of the Indian subcontinent. Candidate must have aptitude for multidisciplinary research in Earth processes and their interactions.

Candidates should have PhD preferably in geological sciences with research experience backed by published papers in peer-review journals. Interested candidates are requested to send by electronic mail a CV, copies of five important publications, a statement of research plans and arrange to have at least three letters of recommendations sent directly on or before September 30, 2018 to The Chair, Geodynamics Unit, Jawaharlal Nehru Centre for Advanced Scientific Research, Jakkur P.O. Bengaluru 560 064, India (e-mail:gdu@jncasr.ac.in).
