Advt. No.22/2017

Date: 24/10/2017

Jawaharlal Nehru Centre for Advanced Scientific Research, an Autonomous Research Institution under the Department of Science & Technology, Government of India, invites applications for the position of JRF under the DAE-BRNS sponsored project:

Project title: Multistep supramolecular targeting of imaging and therapeutic agents

Funding Agency: DAE-BRNS

Minimum educational qualification: M.Sc. / BE / B.Tech / BVSc / B.Pharm.

Desirable: Candidate should have expertise in synthetic chemistry, bioconjugation techniques and basic molecular biology experiments. Candidates with experience in cell culture studies, toxicity assays and imaging experiments will be given additional preference.

Tenure of appointment: Initially for a period of 6 months, extendable further for a period of 2 years subject to satisfactory performance. The position begins on an immediate basis.

Consolidated emoluments: Rs. 25,000 /- + HRA.

Last date of application: 15 days from the date of advertisement.

Mode of selection: Candidates will be selected based on his/her performance in personal interview by a selection committee. Applicant's academic record, the merit of research interest and understanding of the subject will be the key factors for consideration of the application. If the candidate accepts the position, he/she must join within 15 days.

Mode of application: Candidates may submit their application via email giving particulars along with biodata, research experience (if any), copies of certificates, a short write up on the statement of purpose which must be compatible with the ongoing research in Dr. Sarit S. Agasti's Lab, JNCASR, Bangalore.

The completed applications should be sent to sagasti@jncasr.ac.in before the due date.
