

Call for Applications: TWAS Research Grants Programme 2025

The 2025 TWAS Research Grants Programme is now open for applications! Scientists working in basic sciences are encouraged to apply, with a particular focus on female researchers and scientists from Least Developed Countries (LDCs).

Application Deadline: 3 April 2025

Learn more and apply: All relevant information is available on the TWAS websites here:

For Individual Scientists: <https://twas.org/opportunity/twas-research-grants-programme-basic-sciences-individuals>

For Research Unit (Group): <https://twas.org/opportunity/twas-research-grants-programme-basic-sciences-groups>

⚠ Important: Applicants currently holding a TWAS award are not eligible to apply until their ongoing award has concluded.

We encourage you to share this opportunity within your scientific network.
