Advertisement for Short Term Training Course on Laboratory Diagnosis of COVID-19

COVID-19 is an infectious disease caused by the SARS-CoV-2 virus that leads to severe respiratory illness. The pandemic has resulted in an increasing number of cases, including in India. While the demand for testing is very high, there is a severe shortage of trained persons to carry out these specialized tests.

To help build capacity for the national fight against COVID-19, the **COVID Diagnostic Training Centre** has been established at the Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), an autonomous institute of the Department of Science and Technology (DST), Government of India (www.jncasr.ac.in). The Centre is offering comprehensive training in molecular clinical diagnostics effective immediately.

Applications are invited from Indian nationals for a short term (**five days, Monday to Friday**) residential Training Course designed to impart theoretical knowledge and hands-on expertise in required molecular biology techniques and BSL-2 workflow. **Training does not require handling of live SARS-CoV-2 virus.** Skills mastered during the course will make trainees adept at performing molecular diagnostic assays in a clinical set up.

Eligibility	Bachelor's or Master's degree in MLT (Medical Laboratory Technology) with a minimum of 60% aggregate score or equivalent CGPA.
Age limit	Not more than 40 years as on 01.04.2020.
Subsistence Allowance	In addition to free boarding & Lodging, a small subsistence allowance of Rs 5000.00 will be paid to the candidates selected for training.

Last date for application	30 November, 2020
Duration	5 days, full-time, on-campus at JNCASR.

A course completion certificate fee of Rs. 1,000/- will be charged from each individual on successful completion of the training. Interested candidates may send application as per the format placed in Annexure 'I'. A statement of interest of not more than 100 words explaining the interest of the candidate in the course is essential (separate sheet/copy to be attached along with the application). Application to be sent by email to labtraining@jncasr.ac.in. Only shortlisted candidates will be called for online interview.

Date:

APPLICATION FORM FOR SHORT-TERM (ONE WEEK) CERTIFICATE COURSE
ON LABORATORY DIAGNOSIS OF COVID-19

Photo of the candidate

Name of the Candidate (in block letters):

Date of Birth (in dd/mm/yyyy format):
(Attach soft copy of the certificate)

Mother's Name: Father's Name:

Current Address:

.....

Mobile No: E-mailID:

Contact details in case of emergency:

Skype ID or an equivalent online platform id:

Aadhar Card/Passport/Voter ID card No with address proof (attach e-copy):
.....

PermanentAddress:

AcademicRecord Class 12 onwards (Attach soft copy of the certificates):

Class/ Degree	Year of Passing	Board/University	Max. Marks	Marks Obtained	%	Subjects Studied

Whether qualified Medical Laboratory Technologist (MLT): Yes No
(Attach soft copy of the certificate)

Additional qualification(Attach soft copy of the certificates):

.....
.....

If currently a student, name of institution and course

.....
(Attach soft copy of the No-objection certificate from the institution)

If employed, name of employer and designation

.....
(Attach soft copy of the No-objection certificate from the employer)

UNDERTAKING

The particulars furnished above are true and complete in all respects and I agree that my candidature may be cancelled if I have given any false information.

Signature of the candidate
