

Theoretical Sciences Unit (TSU), JNCASR invites applications from individuals seeking nominations for Ramanujan/ Inspire Faculty Fellowships

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), a premier research institution under the aegis of the Department of Science and Technology, GoI and a Deemed-to-be-University. Theoretical Sciences Unit (TSU), of JNCASR invites applications from Indian nationals seeking nominations for applying to Ramanujan/ Inspire Faculty Fellowships. If selected for the fellowship award, the Centre will provide necessary administrative and basic R&D infrastructural facilities for the fellowship duration; the rest of the terms will be as per the fellowship norms. The Centre will be under no obligation to offer regular positions to the Fellows.

Eligibility: Ph.D. in the relevant area, minimum 2 years post-doctoral experience, high-quality publications, and high academic credentials.

Candidates will be short-listed based on seminars and interactions with Unit faculty members. Short-listed candidates will be provided with a host-institution endorsement/sponsorship certificate.

TSU will support individuals with an excellent academic record to apply for Ramanujan/INSPIRE fellowship(s) to carry out research in frontier areas of theoretical sciences, including but not limited to machine learning and its applications in materials design, biological physics, soft matter physics, non-equilibrium phenomena in condensed matter, aspects of information and learning in physical systems and processes. Preference will be given to applicants whose research interests complement and provide a new dimension to the Unit's current activities. Selected fellow(s) will carry out independent research, will have access to computational facilities available in the Centre, and teach Integrated Ph.D. and Ph. D. students. The fellow(s) will be allowed to take one or two Ph.D. students jointly with permanent faculty of the Unit.
