

Nominations for DBT Ramalingaswami Re-entry Fellowship

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), a premier research institution under the aegis of the Department of Science and Technology, GoI and a Deemed-to-be-University invites applications from Indian nationals seeking nominations for applying to DBT Ramalingaswami Re-entry Fellowship. If awarded, the Centre will provide necessary administrative and basic R&D infrastructure support for the fellowship duration; the rest of the terms will be as per the fellowship norms. The Centre will be under no obligation to offer regular positions to the Fellows. The Department/Unit currently seeking applications is Molecular Biology and Genetics Unit (MBGU). Unit specific requirements are given in the subsequent para.

Eligibility

Ph.D. in relevant areas (as detailed below) with at least 2 years of post-doctoral experience, high-quality publications, and strong academic credentials.

Short listing Criteria

Candidates will be short-listed based on seminars and interactions with Unit faculty members. Short-listed candidates will be provided with a host-institution endorsement/sponsorship certificate.

Molecular Biology and Genetics Unit (MBGU) (<https://www.jncasr.ac.in/research/research-units/molecular-biology-and-genetics-unit>), invites applications from individuals with a proven track record of high quality research in diverse areas of **basic biology** and/or **biomedical science**. The research areas broadly include but are not limited to biochemistry cell/molecular/computational biology, genetics/epigenetics, developmental biology, immunology/host-pathogen interactions/infectious disease biology. Highly motivated candidates who complement ongoing research programmes of the Unit or bring novel expertise or research perspectives are invited to apply. Successful candidates are expected to develop and maintain an active independent research programme, mentor Masters and PhD students jointly with permanent faculty and contribute to teaching and outreach activities of the Unit.

How to apply

Please send the following documents as a single PDF file to Chair, Molecular Biology and Genetics Unit at Email id: mbgu_fellowship@jncasr.ac.in

1. Curriculum vitae
2. Completed fellowship application. Please include a detailed statement of your future research programme in case the fellowship application is not yet open.
3. PDFs of three most significant (not necessarily measured by JIF) publications, along with a brief impact statement of each paper.
4. A statement of teaching interests that details what courses you would like to teach, any prior teaching experience, and any other relevant information.
5. Name and contact information of at least three referees.

Last date to receive applications: January 12, 2022.
