

Nomination for DBT Ramalingaswami Re-entry Fellowship

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR)- a premier research institution under the aegis of the Department of Science and Technology, GoI and a Deemed-to-be-University, invites expression-of-interest from scientists desirous of being considered for nomination for applying to Ramalingaswami Re-entry Fellowship. The Centre will provide necessary administrative and basic R and D infrastructure support for the fellowship duration, if awarded. The rest of the terms and conditions will be according to the fellowship norms. The Centre will be under no obligation to offer regular positions to the Fellows. The Neuroscience Unit (NSU) is currently seeking applications (<https://www.jncasr.ac.in/research/research-units/neuroscience-unit>).

Eligibility

PhD in relevant areas, with at least three years of post-doctoral experience, high-quality publications, and strong academic credentials (please see details below).

Short-listing criteria

Candidates will be short-listed based on seminars and interactions with Unit/Centre faculty members. Short-listed candidates will be provided with a host-institution endorsement/sponsorship certificate. NSU is seeking candidates interested in establishing independent research, preferably in the areas of cellular, molecular, cognitive, and developmental neuroscience.

Applicants should have a PhD and a minimum of three years of post-doctoral experience in the field of neuroscience. The applicant should have an outstanding scientific record and commitment to excellence in research and teaching. Successful candidates are expected to develop and maintain an active independent research programme, mentor Master- and PhD-level students jointly with permanent faculty and contribute to teaching and outreach activities. Highly motivated candidates who complement ongoing research programmes of the Unit and/or bring novel technological expertise or interdisciplinary research perspectives will be encouraged. Candidates should have the potential to establish a

competitive independent research program and secure research funding for the laboratory.

How to apply

Please send the following documents as a single PDF file to Chair, Neuroscience Unit at Email id: nsufellowship@jncasr.ac.in

1. Curriculum vitae
2. Completed fellowship application. Please include a detailed statement of your future research programme.
3. PDFs of five significant (not necessarily measured by JIF) publications, along with a brief impact statement of each paper.
4. A teaching statement
5. Name and contact information of five referees.

Last date to receive complete applications: 30th June 2022
