

Dissemination: 2022 Call for applications: TWAS Fellowships for PhD studies and Postdoctoral research

Regional Partners <regionalpartners@twas.org>

Fri 4/1/2022 12:11 PM

Cc: Max Paoli <mpaoli@twas.org>; Sena Galazzi <sgalazzi@twas.org>

Dear Regional Partners,

May we kindly ask you to disseminate in your region and via your networks.

Many thanks.

Best regards,

Cristina

TWAS Regional Partners office

We are pleased to inform you that the 2022 TWAS Fellowships call for applications is now open for PhD and PDoc programmes that are offered in the natural sciences to students and researchers from developing countries to gain postgraduate education and research experience at top global scientific institutions in the South.

We would appreciate if your kind office could please circulate this announcement to any suitable networks and persons who may be interested in these training opportunities.

The application eligibility requirements and deadlines vary according to the different fellowships.

For full details on eligibility criteria and application procedures, please visit:

For PhD studies: <https://twas.org/opportunities/fellowships/phd>

For Postdoctoral research visits: <https://twas.org/opportunities/fellowships/postdoc>

Applications from women and candidates from Science and Technology Lagging countries (STLC) are especially encouraged.

****For a list of the STLC please see <https://twas.org/66-countries> ****

Applications from non-STLC developing countries are also accepted.

Please feel free to circulate this announcement to any suitable person who may be interested in these opportunities.

For queries, applicants should contact fellowships@twas.org
