Dear Regional Partners,

May we kindly ask you to disseminate this updated opportunity in your region and via your networks, in particular the SAREP, AREP and CASAREP regions.

Many thanks.

Best regards,

Cristina

TWAS Regional Partners office

---

Dear Regional Partners,

We are pleased to announce that that calls for applications for the [2023 Islamic Development Bank \(IsDB\)-TWAS](#) are now open.

The IsDB-TWAS initiatives represent a major joint commitment to advance scientific research in the IsDB member countries, and especially the bank's Least Developed Member Countries (LDMCs). They focus on areas of the sustainability sciences needed to support the achievement of the U.N. Sustainable Development Goals ([SDGs](#)).

The IsDB-TWAS offers 3 opportunities:

[IsDB-TWAS Joint Research & Technology Transfer Grant 2022: Quick-Response Research on post COVID-19](#) invites researchers to form a joint research collaboration consisting of two groups from the 57 IsDB member countries on areas related to the Covid-19 pandemic. One of the two groups must be based in an [IsDB Least Developed Member Country](#).

For the 2022 call for applications, technologists and researchers from IsDB Member Countries are invited to submit research and innovation proposals that can help address challenges related to **post COVID-19 pandemic**.

The deadline is January 31, 2023. See link: <https://twas.org/opportunity/isdb-twas-joint-research-technology-transfer-grant-2022-quick-response-research-post>

[IsDB-TWAS Postdoctoral Fellowships](#) awards postdoctoral researchers from the 21 IsDB LDMCs.

The fellowships support research related to the United Nations Sustainable Development Goals, providing recipients with high-level training in areas relevant to sustainability science through a

three- to six-month postdoctoral fellowships at international centres of excellence in the developing world.

The deadline is March 6, 2023. See link: <https://twas.org/opportunity/twas-isdb-postdoctoral-fellowship-programme>

[2022 TWAS-IsDB Young Refugee and Displaced Scientists Programme | TWAS](#) Young Refugee and Displaced Scientists Programme Candidates selected will be elected as TWAS Young Affiliates. The affiliateship status lasts for six years; in addition, the new Young Affiliates will be granted membership to the prestigious [TWAS Young Affiliates Network](#) (TYAN).

The online form is available here: <https://us18.list-manage.com/survey?u=4e293a90231f61d30c8785ae2&id=17e1f5acf7&attribution=false>

The deadline is February 27, 2023. See link: <https://twas.org/2022-twas-isdb-young-refugee-and-displaced-scientists-programme>

We would be extremely grateful if you could help us disseminate those calls. Please kindly refer to [isdb@twas.org](mailto:isdb@twas.org) if you have any question.
