

FlowJo™ Tour India

BD in association with Jawaharlal Nehru Centre for Advanced Scientific Research

FlowJo™ Software is your partner and committed to take your research to new heights. FlowJo™ Software enables single-cell flow cytometry analysis that helps unlock your data insights with accessible features for immunophenotyping, cell cycle, proliferation, kinetics studies, quantitative population comparison, plate screening assays and more.

BD in association with JNCASR is organizing a Hand on workshop on FlowJo at JNCASR, Bengaluru on 27th April 2023.

This program will help unlock data insights and provide improved calculation speed on large workspaces for high dimensional and High parameter Biology
