

Mass Spectrometer Data Analysis Workshop

Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR) in association with ThermoFisher Scientific is organizing a 3-days hands-on workshop on the best practices for the analysis of both Proteomics and Metabolomics based data.

Highlights of the workshop:

- ❖ Lecture on "Orbitrap MS based Proteomics and Metabolomics"
- ❖ Basics of Proteomics and Metabolomics data analysis using MS and MS/MS spectra
- ❖ Practice sessions to perform data analysis using software
- ❖ Troubleshooting

Date : 16th -18th May 2023

Time: 9.30 am-5.30 pm

Venue: CCMS Facility
