

# CAS-TWAS WATER AND SANITATION TRAINING PROGRAM

# 2024

(CAS-TWAS CEWE) is established in the Research Center for Eco-Environmental Sciences (RCEES), Chinese Academy Sciences (CAS). The goal of CEWE is to culture the professionals in the water and environmental fields for the developing world through training, education and joint research programs.

In 2024, the CEWE will initiate training programs for water professionals from the developing and emerging countries. The training program consists of lectures, technical tours, workshops and other related events. All expenses for approved applicants, including airfare, accommodation, registration fee and meals, will be covered by CAS-TWAS CEWE.
