

Subject: Current TWAS Fellowship opportunities

TWAS Regional Partners office

2024 Call for Applications of TWAS Fellowships - Now Open!

We are pleased to announce that the call for applications is open for the following three TWAS fellowship Programmes:

- 1) TWAS-TÜBİTAK Postgraduate and Postdoctoral Fellowships in Türkiye (Turkey).
- 2) TWAS-CSIR Postgraduate and Postdoctoral Fellowships in India.
- 3) **NEW!** TWAS-CNPq Postgraduate Fellowships in Brazil.

For full details on eligibility criteria and application procedures, please visit:

For PhD option: <https://twas.org/opportunities/fellowships/phd>

For Postdoctoral option: <https://twas.org/opportunities/fellowships/postdoctoral>

Applications from women and candidates from Science and Technology-Lagging countries (STLC) are especially encouraged.

For a list of STLC countries, please see <https://twas.org/66-countries>

Applications from non-STLC developing countries are also eligible and accepted.

Please feel free to circulate this announcement to any person who may be interested in these opportunities.
