Advertisement No: JNC/AO/No.09/2026

Dt: 27 May 2026

The Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR) is a premier research institution under the aegis of the Department of Science and Technology, Government of India, and Deemed-to-be-University. Known for interdisciplinary research, the Centre is equipped with state-of-the-art research and teaching facilities and provides excellent support to its faculty members in achieving ambitious goals of their research. For details about the current research activities, please visit <https://www.jncasr.ac.in/>.

JNCASR invites applications preferably from women scientists of Indian nationality for 'the YRGCARE–Suniti Solomon Distinguished Faculty Fellowship', a special faculty position (Assistant Professor) hosted at the Jawaharlal Nehru Centre for Advanced Scientific Research (JNCASR), Bengaluru, with support from YRGCARE.

Name of the Post: YRGCARE–Suniti Solomon Distinguished Faculty Fellow for a term of five years.

Number of Posts: 01

Age Limit: 35 years as on 15 July 2026

Allowance: Equivalent to the entry-level Ramanujan Fellowship of the ANRF, Government of India (https://www.anrfonline.in/ANRF/Ramanujan_fellowship?HomePage=New)

Eligibility: Preferably women candidates, holding a PhD or an equivalent degree (MD/MS/DM/MCh/MPH with relevant postdoctoral experience), having demonstrated research excellence in infectious diseases, immunology, or related biological sciences, with up to 3–4 years of postdoctoral experience, and showing evidence of strong publication record and potential for independent research.

About the Fellowship: The fellowship has been established under a Memorandum of Understanding between JNCASR (<https://www.jncasr.ac.in/>) and YRGCARE (<https://www.yrgcare.org/>) to promote high-quality research in infectious diseases and related areas. The selected candidate will be designated as an Assistant Professor and is expected to teach and establish an independent research laboratory at JNCASR.

Research Environment and Facilities: JNCASR will provide laboratory space/office space/access to central facilities, basic infrastructure and consumables, as per norms, The fellowship will be awarded and funded by YRGCARE. The candidate will be posted at JNCASR and will follow JNCASR norms and policies.

Preference will be given to applicants whose research interests complement and provide a new dimension to the Centre's current research and academic activities, particularly spanning themes of more than one Units. Selected candidates will carry out independent research and teach students in M.Sc, Integrated Ph.D. and Ph.D. Programs.

Short-listed candidates will be further considered based on research seminar(s), pedagogic lecture(s) and interactions with faculty members of the Centre, preferably in-person, followed by an interview by a search and selection committee.

How to apply: Please prepare your application package after learning about activities at JNCASR and giving deep thought to how you would suitably fit and add value as a faculty member in its academic ambience. An ideal candidate should have a non-negligible overlap of interest and complementarity with the current faculty. You are welcome to contact the current Faculty members at the Centre to find more information about their work. Please include following information, in PDF format and email to dfaoff@jncasr.ac.in

1. Completed application package (word file can be downloaded https://jncasr-my.sharepoint.com/:w:/g/personal/deanfaculty_jncasr_ac_in/EbdCuRm6S0RKrjPVU6KO8C8Baex4L_VTexIIaUBy7-UrTvg?e=P0uXNV)
2. List of publications in reverse chronological order
3. PDF files of 3 most significant (not necessarily most cited) publications
4. A two-page research plan
5. A statement of teaching interests that details what courses you would love to teach, any prior teaching experience, and other relevant information.
6. Names and email addresses of at least three referees who are familiar with your work and will be willing to write reference letters.
