ANNEXURE-I

Terms and Conditions

Name of the Position and No. of Posts:
Junior Site Engineer - 01

Age Limit:
Below 32 years of age as on the last date of receipt of applications.

Minimum Educational Qualification and Experience:
A Diploma in Civil Engineering or equivalent degree from an accredited university or college.

Experience:
Candidates should have minimum 2 years of experience in handling construction activities/civil/maintenance works in a reputed construction company.

Desirable Qualification:
- Demonstrated proficiency in managing and supervising construction projects.
- Experience with Microsoft Office Suite, GIS, AutoCAD, and other software.
- Ability to manage multiple construction projects.
- Strong knowledge of construction methods, materials, and regulations.
- Competent in assessing, interpreting, and presenting survey reports and other critical data for stakeholders and shareholders.
- Ability to work effectively in a team and coordinate with multiple stakeholders.
- Knowledge of sustainable construction practices.
- Understanding of budgeting and cost control.

Job Description:
- Supervising and managing construction projects from start to finish, ensuring adherence to project plans and specifications.
- Reporting project updates, milestones and potential risks to the project manager and key stakeholders.
- Study engineering drawings, survey reports and other technical documentation to guide the construction process.
- Planning and oversee allocating resources, materials and equipment to optimize project efficiency.
- Adhering to budget allocation for a particular project.
- Providing technical guidance and expertise to resolve construction-related challenges.

Period of Engagement:
The assignment will be purely on temporary basis. The initial engagement would be for a period of one year, which may be extended depending upon the requirement and performance review.

The contract would be on full-time basis and the selected candidate would not be permitted to take up any other assignment during the period of the contract.

Remuneration:
Remuneration will be fixed based on experience and educational qualifications.

Selection Procedure:

Candidates meeting the conditions shall be offered positions on the basis of criteria like experience, qualification, etc. A Committee will be set up for the purpose.

Working facilities to be provided:

Only the basic facilities/infrastructure will be provided to the candidates. No Transport or Telephone/Internet facility at residence, shall be provided.

Working hours:

The candidates shall have to work as per the working hours of the Centre and required to mark attendance on-line.
