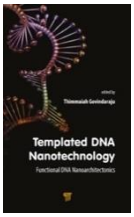
BOOKS



Templated DNA Nanotechnology: Functional DNA nanoarchitectonics, Jenny Stanford Publishing, Singapore (jointly promoted by CRC Press and Taylor & Francis), 426 pages, **T. Govindaraju** (Ed.). 2019.

Alzheimer's disease (*Vol 1*)
recent findings in pathophysiology, diagnostic and therapeutic modalities, **Royal Society of Chemistry** (London) Publishing, 450 pages, **T. Govindaraju** (Ed.), **2021**. (*In Press*)

Alzheimer's disease (*Vol 2*)
recent findings in pathophysiology, diagnostic and therapeutic modalities, **Royal Society of Chemis**try (London) Publishing, 550 pages **T. Govindaraju** (Ed.), **2021**. (*In Press*)

Molecular Architectonics and Nanoarchitectonics,the series of Nanostructure Science and Technology, **Springer Nature** (Singapore), 600 pages, Eds. **T. Govindaraju**, JNCASR, India and Katsuhiko Ariga, NIMS, Japan, **2021**. (*In Press*)
