

2025 Call for Applications of TWAS Fellowships - Now Open!

We are pleased to announce that the call for applications is open for the following three TWAS fellowship Programmes:

- 1) TWAS-ICCBS Postgraduate and Postdoctoral Fellowships tenable in Pakistan.
- 2) TWAS-SN Bose Postgraduate and Postdoctoral Fellowship Programme tenable in India.
- 3) TWAS-NCP Postdoctoral Fellowship Programme tenable in Pakistan.

For full details on eligibility criteria and application procedures, please visit:

For PhD option: <https://twas.org/opportunities/fellowships/phd>

For Postdoctoral option: <https://twas.org/opportunities/fellowships/postdoctoral>

Applications from women and candidates from Science and Technology-Lagging countries (STLC) are especially encouraged.

For a list of STLC countries, please see <https://twas.org/66-countries>

Applications from non-STLC developing countries are also eligible and accepted.

Please feel free to circulate this announcement to any person who may be interested in these opportunities.

For queries please contact: fellowships@twas.org
