Dear Regional Partners,

May we kindly ask you to disseminate these TWAS opportunities in your region and via your networks.

Best regards,

Cristina

TWAS Regional Partners office

2023 Call for Applications of TWAS Fellowships - Now Open!

We are pleased to announce that the call for applications is open for the following two TWAS fellowship Programmes in Physics:

1) TWAS-SN Bose PhD and Postdoctoral Fellowships tenable in India:

For full details on eligibility criteria and application procedures, please visit:

For PhD studies: <https://twas.org/opportunity/twas-sn-bose-postgraduate-fellowship-programme>

For Postdoctoral research visits: <https://twas.org/opportunity/twas-sn-bose-postdoctoral-fellowship-programme>

2) TWAS-NCP Postdoctoral Fellowship tenable in Pakistan:

For full details on eligibility criteria and application procedures, please visit <https://twas.org/opportunity/twas-ncp-postdoctoral-fellowship-programme>

Applications from women and candidates from Science and Technology-Lagging countries (STLC) are especially encouraged.

For a list of STLC countries, please see <https://twas.org/66-countries>
Applications from non-STLC developing countries are also accepted.

Please feel free to circulate this announcement to any person who may be interested in these opportunities.
